REVA UNIVERSITY

REVA University is a State Private University established in Karnataka State under the Government of Karnataka Act No. 13 in the year 2013 in Bengaluru, the IT capital of India. The University is recognised by the University Grants Commission (UGC) and is approved by the AICTE (All India Council for Technical Education).

REVA University prides itself in contributing to every student's holistic development. The University currently offers 41 full-time Under Graduate Programmes, 32 full-time Post Graduate programmes, 18 PhD programmes, and certification and diploma programmes. The University offers programmes in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance.

REVOOTHSAVA

Revothsava is an inter-university fest organised by REVA University. Revothsava is a cultural, sports and management extravaganza! It is a platform for students of all academic backgrounds to come together and celebrate another academic year in their journey of students. It has an annual footfall of 20,000 students and a spectacular array of representation featuring some of the best talents from universities across the country and popular artists who have left the country spell-bound with their spectacular range of works. It is an opportunity for students to create memories that last for lifetime. Since its inception in 2012, Revothsava has grown not only in terms of student participation but also the quality and the quantity of events. The media coverage and international recognition has also reached unsurmountable heights. The aim is not only to nurture leadership qualities among students, but also to bring oneness among the student communities.

Dr. P. Shyama Raju

Hon'ble Chancellor
REVA University

Welcome to REVA University!

In 2004, REVA Group of Institutions was established with the founding philosophy 'Knowledge is Power', and since then, we have been committed towards building a community of perpetual learners who can achieve what they aspire.

To lead towards a research university, it is important how as a university we prioritise research in all the schools. At REVA, this has been a trend for the past few years and we have spared no effort to groom our faculty and students to focus on the highest level of academic research. We have always believed in having organised research activities at university and hence have been successful in directing our faculty to indulge in research.

I am sure REVA university can play a critical role in the development of society and the nation.

Our core vision remains to change the way students learn from traditional learning methodologies and we are happy to adapt and adopt technological changes.

I am certain our success stories will inspire each one of you, and motivate you to aspire for excellence.

Dr. M. Dhanamjaya

Vice Chancellor
REVA University

Welcome to REVA University!

You are well aware that disruptive technologies like Artificial Intelligence (AI), internet of Things (IoT), 3D Printing, Robotics, High-Speed Travel, Block Chain Technologies, Medical Innovations, Autonomous Vehicles, Advanced Virtual Reality, and Renewable Energy have disrupted traditional industries and businesses.

Our immediate goal is to achieve the status of “Institution of Eminence” and in the near future, we would like to be a World Class University.

We strive to make our students, great thinkers and meet not only their aspirations and even their parents. We would keep India's scientific, technological, economic and social aspects in mind while developing our curriculum. In all, REVA University will focus on developing the emotional, intellectual, social, economic, environmental, spiritual and physical well-being of every student.

I understand that to make these happen, the resources required are enormous, but the committed management and visionary leadership will help overcome these challenges.

We strive to make REVA -A University of the Future!

RC CARS COMPETITION

LINE FOLLOW ROBOT

Event description : The objective of this contest is for a robot to follow a black line on a white background, without losing the line, and navigating several turns. The robot to complete the course in the shortest period of time while accurately tracking the course line from start to finish, wins the game.

Specifications for Line following robot

Robot Max. Weight: 1000g

Robot Dimensions: W:12cm x L:16cm x H:7cm

Arena Specifications: 111cm wide by 2448cm long

Line width : 3cm

Robot Control: Autonomous

Engineering principles : Electrical engineering, Mechanical engineering, Computer science and sensors.

Competition Rules

Each team can have max of two members.

Dimensional and Weight limits for robots shall be strictly enforced. Robots must have passed inspection prior to competing (The robot must fit within the 12 x 16 cm starting box).

Time limit of 3 minutes will be maintained and the robot has to complete the course within this time period.

Each robot will be given two official trials at the line and the shortest time will be recorded. The robot finishing the path in the shortest time will be the winner.

Once a robot has crossed the starting line it must remain fully autonomous.

Any robot that loses the line course must reacquire the line at the point where it was lost, or at any earlier (e.g. already traversed) point with a maximum of 3 attempts. (The judge's decision on 'loss-of-line' is final.)

Entry Fee: 500/-

Student Co-Ordinator

YOGESH : 7338441357

Venue : INDOOR GAMES

DRONE

Drones race is a fast-paced game where you control a drone and try to reach the end of the race track as quickly as possible. The faster you are the more points you score, and the higher your score the more difficult the track becomes.

If you're looking to be the first to pilot your drone in the race, get there early!

DRONE SPECIFICATIONS

Frame size should be between 180 mm to 500 mm.

Battery or power supply should not exceed 6s or 24V

The radio telemetry should be 900MHz to 2.4 GHz.

Ready-made drones are not allowed.

Carbon Fibre propellers are not allowed.

REGISTRATION

TEAM REQUIREMENTS

There are no specific requirements for the team or the team members.

COMPETITION RULES

The competition will have 3 rounds.

First and Second rounds will be an obstacle course. Third round is a special round announced during the event.

No participants are allowed inside the arena.

Trial/practice runs in the arena are not allowed.

All teams are advised to keep a pair of charged batteries.

Space will be provided for Practice/trail runs.

SCORE CALCULATION

Score calculation will be based on time, number of skill points and number of penalties.

Entry Fee: 1000/-

Student Co-Ordinator

PRAHARSH : 9964409872

Venue : SAUGANDHIKA

RC CARS

DRAG AND ENDURANCE

Brutal test of endurance where competitors race stunningly fast cars for 30 straight minutes at unimaginable speeds on the fastest section of the incredibly long straights of the track. The race is a punishing test that pushes driver and machine to their limits—and sometimes beyond.

RULES AND REGULATIONS

Each team can have max of six members.

Teams taking part have to take part in 2 events, Drag Race and Endurance Race

Teams must hand build the RC to the specification sent after registration, Rule book will be sent through Mail/whatsapp.

Registration fee is 1000 for these 2 events.

Teams must comply with the marshals.

The race director's decision will be final.

Rules for drag

1/8 purely electric, Weight should not be more than 5Kg Dimensions

30*30 mm rally truck/ buggy RC

Wheelie bars are allowed.

Four-wheel drive is allowed.

Tyres to be used are slicks only on no special sticky compounds can be used for extra grip.

The judging criteria are : Reaction time

100 meters time

200 meters time

Rules for endurance race

30-minute race

2 drivers 15 mins each & 4 Pit crew members total 6 members.

Teams will be judged on the maximum number of laps done in the given time.

1/8 purely electric, Weight should not be more than 5Kg Dimensions
30*30 rally truck/ buggy RC.

Tyres used must be threaded no slicks will be allowed.

Four-wheel drive is compulsory.

Bodies must be painted and secure or else the car will be pulled off the track.

Any Driver who is driving reckless and is considered unsafe will be WARNED ONCE and the SECOND TIME CAN BE PULLED OFF THE TRACK.

Specification and marshalling rules will be sent after registration.

The REVA University REVOTHSAVA Fest is open to all Undergraduate and Postgraduate Universities/Colleges.

The participants must read the registration guidelines of the event carefully.

A Non-Refundable Registration Fee is applicable to all registration.

A Letter of Participation issued by the Principal/Director of the respective University/College must be submitted at the time of reporting.

Participants must produce their valid University/College ID card at the time of registration during the Fest for verification.

Cross University College Non-Contingent participants are not allowed in any event.

The tentative schedule of events will be posted before the commencement of the Fest. However, the organizers reserve the right to make changes if necessary due to unavoidable circumstances.

Participants must report to the venue 45 minutes before the event. In case of absenteeism, the participants will be disqualified from their respective event(s).

On-spot registration for the events will close 60 minutes before the commencement of the events.

Participants wish to register for more than one event, they must ensure that the timings of their events do not clash.

All participants should strictly follow the Rules and Regulations set by the REVA University Fest Committee. Misconduct of any kind will lead to disqualification from the event.

Offensive behavior, indiscipline, and malpractice will lead to disqualification.

Decency and honesty in every aspect of the competition is expected.

The decision of the Judge(s) and the REVA University Fest Core Committee will be final and binding for all events.

Any damage caused to property knowingly or unknowingly during the Fest will be liable to the participants of the respective University College.

The Management of REVA University will not be responsible for any loss damage to personal belongings and personal property.

Cash Prizes, Trophies and Certificates shall be awarded to the participants upon completion of the event.

Contingent registered college can participate in any number of group events excluding sports.
